Bespoke Solutions By Harvia - Showers, Laconium, Ice Stations

Loungers

Relaxation zones are an essential element of any enjoyable bathing experience. Guests find relaxing on heated loungers extremely pleasant and beneficial as well as sociable.

Rasul 'mud' rooms combine a tiled steam room and a relaxation area with heated floors, heated loungers and experience showers. In the warm atmosphere of the Rasul tiled steam room, natural mineral-rich muds are massaged into your body. The warmth and low humidity dry the mud while you relax on heated tiled seats. Clouds of steam then fill the room, gently loosening the mud. Next a shower arrives like a tropical rain to wash away the mud leaving skin silky smooth.

Hamam, a classic Turkish bath, incorporates heated tiled massage beds with hot water and drainage for wet massage and foam treatments. Subtle colourful lighting therapy and music add to the ambience. Hamam is based on a combination of hot and cold treatments, steam bath and massage. Although traditionally designed in a Turkish style, as with any of our tiled rooms we can achieve an ornate or a clean modern finish through tiling and internal design features.

Experience Showers

To cleanse the body after various heat treatments we offer a variety of experience showers including tropical rain, sea mists and Caribbean storms. The experience includes lights, sound and fragrance systems and we can enclose showers in circular, s-shaped or traditional cubicle settings or even create a cave effect.

Foot Spas

Our foot spa systems comprise of heated tiled benches with individual footbaths that fill automatically with warm water and then bubbles massage the feet and stimulate the reflexology zones. At the end of the treatment the foot spa automatically drains ready for the next person.

Ice Station

These can stand alone in a relaxation area or be incorporated as part of an ice room.

Ice stations are individually designed and have a chute which delivers flaked ice into a bowl or tiled pedestal area. This ice is rubbed on to cool the skin between hot treatments. We often use lighting to enhance the look of this feature.

Ice Grotto

The latest innovation in cold experiences, an ice grotto replicates as near as possible a real snow experience. The room is chilled to about 12-15°C and incorporates an ice station, heated seats and an aroma system. Ice grottos can be tiled or designed to replicate the look and feel of a cave of ice.

- 10.10 The Customer shall pay all amounts due under the contract in full without any deduction or withholding except as required by law and the Customer shall not be entitled to assert any credit, set-off or counterclaim against the Company in order to justify withholding payment of any such amount in whole or in part. The Company may, without limiting its other rights or remedies, set off any amount owing to it by the Customer against any amount payable by the Company to the Customer.
- 11. INTELLECTUAL PROPERTY RIGHTS**
- 11.1 All Intellectual Property Rights in or arising out of or in connection with the Services shall be owned by the Company.
- 11.2 The Customer acknowledges that, in respect of any third party Intellectual Property Rights, the Customer's use of any such Intellectual Property Rights is conditional on the Company obtaining a written licence from the relevant licensor on such terms as will entitle the Company to license such rights to the Customer.
- 12. CONFIDENTIALITY**
- 12.1 Each party undertakes that it shall not at any time disclose to any person any technical or commercial know-how, specifications, inventions, processes or initiatives which are of a confidential nature or any confidential information concerning the business, affairs, customers, clients or suppliers of the other party (Confidential Information), except that each party may disclose the other party's Confidential Information:
- (a) to its employees, officers, representatives or advisers who need to know such information for the purposes of carrying out the party's obligations under this Contract. Each party shall ensure that its employees, officers, representatives or advisers to whom it discloses the other party's confidential information comply with this clause 12.1; and
- (b) as may be required by law, court order or any governmental or regulatory authority.
- 12.2 All Company Materials are the exclusive property of the Company.
- 12.3 No party shall use any other party's Confidential Information for any purpose other than to perform its obligations under this Contract.
- 12.3 This clause 12 shall survive termination of the Contract.
- 13. LIMITATION OF LIABILITY IF THE CUSTOMER IS A BUSINESS**
- This clause 13 only applies if the Customer is a business.
- 13.1 Nothing in these Conditions shall limit or exclude the Company's liability for:
- (a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;
- (b) fraud or fraudulent misrepresentation;
- (c) breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession);
- (d) breach of the terms implied by section 12 of the Sale of Goods Act 1979 (title and quiet possession); or
- (e) defective products under the Consumer Protection Act 1987.
- 13.2 Subject to clause 13.1 the Company shall under no circumstances whatsoever be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, loss of business opportunity, loss of goodwill or any indirect or consequential loss arising under or in connection with the Contract; and
- 13.3 Subject to clause 13.1 the Company's total liability to the Customer in respect of all losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the price recovered for the Goods and/or Services. The Company's liability under this clause 13.3 shall end 1 year from the completion of any Services or such earlier time as English law dictates.

- This clause 14 only applies if the Customer is a consumer.
- 14.1 Nothing in these Conditions shall limit or exclude the Company's liability for:
- (a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;
- (b) fraud or fraudulent misrepresentation;
- (c) breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession);
- (d) breach of the terms implied by section 12 of the Sale of Goods Act 1979 (title and quiet possession);
- (e) breach of the terms implied by section 13 to 15 of the Sale of Goods Act 1979 (description, satisfactory quality, fitness for purpose and samples) and sections 3, 4 and 5 of the Supply of Goods and Services Act 1982 (description, satisfactory quality, fitness for purpose and samples); or
- (f) defective products under the Consumer Protection Act 1987.
- 14.2 If the Company fails to comply with these Conditions, the Company is responsible for loss or damage the Customer suffers that is a foreseeable result of the Company's breach of the Conditions. Loss or damage is foreseeable if they are an obvious consequence of the Company's breach or if they are contemplated by the Customer and the Company at the time the Company entered into the Contract.
- 14.3 If the Company is installing the Goods and/or providing Services at a property, the Company will make good any damage to the property caused by the Company in the course of installation or performance. However the Company is not responsible for the cost of repairing any pre-existing faults or damage to the property that the Company discovers in the course of installation and/or performance of the Services.
- 14.4 The Company only supplies the Goods and/or Services to the Customer for domestic and private use. The Customer agrees not to use the Goods and/or Services for any commercial, business or re-sale purpose, and the Company shall have no liability to the Customer for any loss of profit, loss of business, business interruption, or loss of business opportunity.
- 15. TERMINATION AND SUSPENSION**
- 15.1 Without limiting its other rights or remedies, the Company shall have the right to suspend the supply of Services or all further deliveries of Goods under the Contract or to terminate the Contract or any other contract between the Customer and the Company if:
- (a) the Customer fails to make pay any amount due under this Contract on the due date for payment; or
- (b) the Customer becomes subject to any of the events listed in clause 7.6, or the Company reasonably believes that the Customer is about to become subject to any of them.
- 16. CONSEQUENCES OF TERMINATION**
- On termination of the Contract for any reason:
- (a) the Customer shall immediately pay to the Company all of the Company's outstanding unpaid invoices and interest and, in respect of Goods and Services supplied but for which no invoice has yet been submitted, the Company shall submit an invoice, which shall be payable by the Customer immediately on receipt;
- (b) the Customer shall return all of the Company Materials and any Goods which have not been fully paid for. If the Customer fails to do so, then the Company may enter the Customer's premises and take possession of them. Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with this Contract;
- (c) the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and
- (d) clauses which expressly or by implication have effect after termination shall continue in full force and effect.
- 17. EXPORT TERMS**
- 17.1 In these Conditions 'Incoterms' means the international rules for the interpretation of trade terms of the International Chamber of Commerce as in force at the date when the Contract is made. Unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of Incoterms shall have the same meaning in these Conditions, but if there is any conflict between the provisions of Incoterms and these Conditions, the latter shall prevail.
- 17.2 Where the Goods are supplied for export outside the United Kingdom either directly or indirectly the provisions of this clause 17 shall (subject to any special terms agreed in writing between the Customer and the Company) apply notwithstanding any other provision of these Conditions.
- 17.3 The Customer shall be responsible for complying with any legislation or regulations governing the importation of the Goods into the country of destination and for the payment of any duties on them.
- 17.4 Unless otherwise agreed in writing between the Customer and the Company, the Goods shall be Ex works and the Company shall be under no obligation to give notice under section 32(3) of the Sale of Goods Act 1979.
- 17.5 The Customer shall be responsible for arranging testing and inspection of the Goods at the Company's premises before shipment.
- The Company shall have no liability for any claim in respect of any defect in the Goods which would be apparent on inspection and which is made after shipment, or in respect of any damage during transit.
- For the avoidance of doubt the risk in the Goods will pass not later than when the Goods are handed over to the first carrier.
- 17.6 The Customer shall pay the Company for the Goods in full and clear funds at the time of placing its Order or, if the Order exceeds £12,000.00 (Pounds Sterling twelve thousand) in value and, unless otherwise agreed between the parties, the price of any Goods must be secured by an irrevocable letter of credit in a form satisfactory to the Company established by the Customer in favour of the Company immediately upon receipt of the Company's acceptance of the Customer's Order and confirmed by a United Kingdom bank acceptable to the Company. The letter of credit shall be for the price payable for the Goods (together with any tax or duty payable) to the Company and shall be valid for six months. The Company shall be entitled to immediate cash payment on presentation to such United Kingdom bank of evidence of the confirmation of the first carrier that it has taken possession of the Goods.
- 17.7 Charges incurred in respect of the letter of credit shall be for the Customer's account.

- 18.4 Waiver and cumulative remedies:**
- (a) A waiver of any right under the Contract is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.
- (b) Unless specifically provided otherwise, rights arising under the Contract are cumulative and do not exclude rights provided by law.
- 18.5 Severance:**
- (a) If a court or any other competent authority finds that any provision of the Contract (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected.
- (b) If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
- 18.6 Third Parties:** A person who is not a party to the Contract shall not have any rights under or in connection with it.
- 18.7 Variation:** Except as set out in these Conditions, any variation, including the introduction of any additional terms and conditions, to the Contract shall only be binding when agreed in writing and signed by the Company.
- 18.8 No partnership:** Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute any party the agent of the other party, or authorise any party to make or enter into any commitments for or on behalf of the other party.
- 18.9 Governing law and jurisdiction:** This Contract, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with, English law, and the parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
